By Irina Tchirkova, Director

We would like to personally welcome to the 12th Annual International Education Fair in East Africa! The fair is organised by International Student Fairs Africa (ISFA) in cooperation with Studycentral Ltd. (Universityfairs.com) and Kenruss Ltd.

It is an exciting time for student recruitment in East Africa. During this year's education fairs, we are aiming to support students to choose the right destination and career path in order for them to obtain an international degree abroad. This fall we are happy to welcome institutions from India, South Africa, Turkey, North Cyprus, Hungary, Poland, West Indies and Russia.

We wish you a very successful exhibition, whether you are looking to explore exciting study opportunities in new destinations, build partnerships, recruit students or familiarise yourself with the Kenyan student market. We sincerely thank each of you for visiting the ISFA Fairs.
